

SICKNESS POLICY

Happy Little Giants home daycare is committed to providing a safe and healthy environment for children and families. We will take every reasonable precaution to prevent the risk of communicable diseases. Parents are expected to pick up ill children as soon as possible, but preferably within one hour. Children exhibiting symptoms of ill health such as fever, shortness of breath, diarrhea or vomiting, should be referred for further medical assessment. If a medical practitioner indicates that the child is well enough to attend the program, Happy Little Giants would accept the child if a medical note is provided AND the child is symptom free for 24 hours. Children presenting any of the above symptoms, will not be permitted to attend the program until fever free or symptom free for at least 24 hours.

Thanks!
